

FIT WALK PROGRAM

FIT Walk Program is a day-long plant walk where APEX fastening experts evaluate your plants' fastening processes.

Real Customer Challenges

- Assembly complexity with 3 adapters and 1 bit to tighten bolt
- Chrome socket are brittle which provides a safety issue that could lead to shattering or injury of worker
- Issue of marring of product

FIT Walk Solutions

- One product instead of 3
- Custom bit length
- Better safety & longer life with assembly-proven bits
- Non-marring uGuard cover protection
- Low cost of ownership

 ASSEMBLY-PROVEN SOLUTIONS
